Elixir of Life	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

## Finding your Facebook ID:

In order to use the Fairyland Calculator, you will need to find your Facebook ID, which is the same as your Fairyland Profile ID (found on the Fairywall by clicking the link under "Garden Owners" on your My Garden page).

The easiest way to find your Facebook ID is to do the following:

1. Click on "Profile" while logged into Facebook
2. Copy the number off the address bar of your webbrowser.  
 There may be other things after the number (like: &ref=profile), but disregard that, and ONLY copy the number (or write it down).
3. Go to the "Fairyland Calculator" in this FAQ and paste or type the number you found on your Facebook Profile.

**It is important to mention:** We do not take credit for figuring any of this out. The honor goes to the people mentioned on the Credits Page of "Tiger Lily's and Bongo's My Fairyland FAQ". Please download the FAQ for more information.
